### **DETAILED ACTION**

Claims 1-4, 7-12, 15, 16 and 25-31 are allowed. The following is an examiner's statement of reasons for allowance: referring to independent claims 1, 25 and 29, the specific limitation of the air diverter positioned such that a first portion of the air diverter is higher than the top edge of the backplane, in combination with the rest of the elements, is not disclosed in the prior art references. The remainder of the claims depend, either directly or indirectly, from the independent claims listed above and are therefore allowable for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Q. Edwards whose telephone number is 571-272-2042. The examiner can normally be reached on M-F (7:30-3:00) First Friday Off.
